Necklaces with African Motifs

6. *Timbaktu*. (top left) Its brilliant colors were inspired by African tribal textiles.

7. *Fetish Adornment*. (top right) Inspired by a small wooden fetish figure believed to repel any malevolent influences; exhibited in the Michael Rockefeller Wing of the Metropolitan Museum of Art, New York City.

8. *Asante Gold*. (left) Gold washed beads made by the Asante people of Ivory Coast using the lost wax method.
